**SCHOOL COMMUNICATION**

March 16, 2020

Dear Memphis Merit Academy Founding Families,

One of Memphis Merit Academy Charter School's highest priorities is ensuring the safety of our scholars, families, and staff members. **As of now, Memphis Merit Academy Charter School's classes will resume no earlier than April 6, 2020.** Memphis Merit Academy Charter School will continue to follow the guidance of Shelby County Schools related to COVID-19 school closure.

As mentioned in previous school communication on March 12, 2020, our school has performed and will continue to perform precautionary measures to ensure a safe and healthy school environment.

School leadership will continue to work diligently to communicate any changes to our plan for instruction as new developments arise. Each scholar, has received the following in their LifeWork folders last Thursday, March 12, 2019:

- Login credentials for [LexiaCore5](#) to deliver daily research-based literacy lessons for scholars
- Login credentials for [Dreambox](#) to deliver daily research-based math lesson for scholars
- Books for daily reading with your scholar
- STEP aligned print work to address your child's current reading levels
- Grade level print work to address your child's current math levels

In the coming days, our team will roll out more details to support families with our online learning platforms. We understand school closure can be cumbersome on families, and appreciate your efforts to ensure your scholar is continuing to grow their brains during this time. Based on the responses we received from the Internet and Technology Access Survey, Ms. Mccline will coordinate a pick up time for student Chromebooks, if needed. If there are any questions or concerns, please do hesitate to reach out during our office hours from 9AM-3PM, beginning March 16th (Monday - Friday) at 901-617-3690. Thank you for your patience as we continue to work through this unique circumstance.

Committed to excellence,

Lakenna Booker  
Head of School
